

# NOTHING WITHOUT LOVE - N. Ruess

(capo=1)

I am nothing without love  
I'm but a ship stuck in the sand  
Some would say that I'm all alone  
But I am, I'm nothing without love

**C** I am nothing **F** without love  
**C** I'm but a ship stuck in the **G** sand  
**C** Some would say that I'm all a **F** lone  
But I **C** am, I'm no **G** thing without **C** love  
**C** I wanna hold her in my **F** arms  
**C** She feelin' alone, she feelin' **G** sad  
**C** I would take credit for what's **F** wrong,  
But I **C** am, I'm no **G** thing without **C** love

**C C F C F**

**C** Three years at sea after the **F** storm  
**C** And this sinking ship of love you put me **G** on  
**C** God, I wish a gust of wind would come and carry me **F** home  
But **C** I, I **G** got nowhere to **C** go  
**C** Now here you show up with the force of a **F** wave  
**C** So I'm setting my sail, I'm headed for the Em **G** pire state  
**C** Hey hey, I don't wanna lose this one, she made me feel **F** whole, you know  
I am, **C** I'm no **G** thing without **C** love

**G** I wanna rest in your life

**C** I am nothing without **F** love
